May 1, 2008

To: Past Attendees, NAAB Members and Guests

Re: NAAB 62nd Annual Convention and 22nd Biennial Technical Conference on Artificial Insemination and Reproduction

We are pleased to extend an invitation to you to attend NAAB's 62nd Annual Convention and 22nd Technical Conference on Artificial Insemination and Reproduction to be held September 17, 18 and 19, 2008. The host hotel will be the Wyndham Milwaukee Airport Hotel (formerly the Four Points Sheraton) in Milwaukee, Wisconsin. Our scheduling format will be the same as in 2006, and we hope that the timing and combination of these two important NAAB functions will be advantageous to your attendance.

Enclosed is a registration form for you to complete and mail to the NAAB office along with your payment. Hotel reservations can be made by calling the Hotel **directly at - 414/615-8000**. Room rates are \$96 per night single/double, plus tax. **THE CUT-OFF DATE FOR HOTEL RESERVATIONS IS AUGUST 17, 2008.** You will need to identify your affiliation with the National Association of Animal Breeders in order to receive the preferred rate.

Also this year online booking is again available by following the steps below:

- Click on Link: <http://www.wyndham.com/rates/main.wnt>
- Click on Tab to Make Reservation by Property
- Choose Wyndham Milwaukee Airport Hotel & Convention Center under Select Property
- Enter Arrival and Departure Dates
- Enter Group ID "ANIMAL" in Group ID Box
- Click Search Reservations
- Click on Rate Amount to Make Reservation

We anticipate approximately 250-275 people will attend these combined functions including general managers, cooperative farmer-directors, researchers working in areas of artificial insemination, reproductive physiology and veterinary science, and industry technical personnel involved in all phases of semen production, bull management and sire health. In addition, we have invited several affiliated firms who will exhibit their products.

The NAAB Convention will run back-to-back with the NAAB Biennial Technical Conference. The Convention Business Session will take place Wednesday afternoon, September 17, and the Convention "Educational Program" will consist of the entire Technical Conference which will run all day Thursday, September 18 and adjourn at Noon on Friday, September 19.

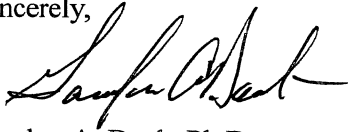

We have a very informative and interesting line up of speakers and topics as outlined on the enclosed Tentative Program. A special Awards Luncheon will be held at noon on Thursday, September 18 to recognize those in our industry who have achieved outstanding accomplishments in their specific fields.
